Vesta Lite sound absorbing table screen

Svenheim UAB

The product has been declared and approved according to the criteria in Möbelfakta:

Quality - Environment - Responsible supply chains

Description

A modern acoustic desk screen with rounded corners, double-stitched seams, and zippers for easy fabric replacement, adding a soft, stylish touch to any office. It can be mounted using angular or clamp brackets for secure installation. The screens are made from 16mm chipboard, 12mm foam, and fabric, with a total thickness of 40mm and C-profile edges. Brackets are available in grey, white, or black. Sizes range from 800 to 2000mm in length (with 200mm increments, except for the 840mm screen) and 650mm in height. Weight varies from 5.4 to 13.7 kg depending on size, with sound absorption values (N-10) from 21 to 48.
