Description

A clean, simple storage system that fits any workspace. Wall-mounted and floor cabinets can be combined to store supplies, sort mail, and support daily copying and printing tasks. Models include low cabinets (open, with doors or drawers), high cabinets (with doors or drawers), and hanging cabinets (open, with doors, partitions, or post-sorting shelves). Floor cabinets range in height from 900 to 1134mm (including the top plate and plinth) and in width from 400 to 800mm (high cabinets are 600mm wide). Hanging cabinets are 780mm high and range in width from 400 to 800mm. The carcass is 18mm MFC with optional side covers. Benchtops are made of 22mm MDF, with or without cutouts (square, round, or triangular), and additional benchtops are available. Bases are 18mm MFC plinths. Handles are metal.
