Locker storage

Svenheim UAB

The product has been declared and approved according to the criteria in Möbelfakta:

Quality - Environment - Responsible supply chains

Description

Locker storage is a practical and straightforward solution for keeping workplaces organized, secure, and clutter-free, helping maintain privacy and boost productivity. Lockers are available in heights from 450 to 1817mm, widths from 400 to 1200mm, and a depth of 450mm. Carcass and fronts are 18mm MFC with overlay doors, connected with dowels and glue (detachable base). Bases have 18mm MFC plinths with adjustable feet. Doors are hinged with soft-close, handles are push-to-open, and locks can be RFID or code-based.
