Factor conference table

Svenheim UAB

The product has been declared and approved according to the criteria in Möbelfakta:

Quality - Environment - Responsible supply chains

Description

high-quality conference table collection designed to create a modern and functional meeting environment. The series combines exceptional design with wide customization options, allowing each table to be tailored to the specific needs of any space.

Factor tables can be round, rectangular, square, conical, or D-form, with dimensions ranging from widths of 800 to 3000mm, lengths of 1800 to 7200mm (some dimension combinations may be limited), and heights of 740, 900, and 1050mm.

The 25mm MDF tabletops can be finished in high-pressure laminate, linoleum, or veneer. Metal legs are powder-coated in grey, black, or white, while wooden covers come in clear lacquered, white-pigmented, or black-stained oak
