Description

OPTIMA is a versatile conference table system that combines refined design with extensive customization options. Available in rectangular, round, and boat-shaped forms, the tables come in widths of 1000 or 1200mm and lengths from 1800 to 7200mm (some dimension combinations may be limited), with fixed heights of 550, 740, 900, or 1050mm, or an electric leg system. Round tables range in diameter from 600 to 1200mm. Tabletops are made from 25mm MDF finished in high-pressure laminate, linoleum, or veneer, with powder-coated metal legs in grey, black, or white, offered with T-foot, disc foot, or X-foot options.
