TELLUS

Work desk

Svenheim

2026

PRODUCT INFORMATION

TELLUS is our functional work desk series. We have emphasized optimum space utilization and freedom of choice by offering a wide range of tabletop sizes and shapes. To complement the tabletop, a selection of different height-adjustable, manual, and fixed-height leg systems, as well as various accessories, is available. Workplaces can be designed to meet every need.

LEG SYSTEMS

Electrical

ASTRO	
Stroke	650mm (625-1275mm)
Fits tabletop	800-2400mm (fixed beams) 1400-2200mm (telescopic beams) 1600-2000mm (zigzag beams)
Amount of legs	2, 3, 4**
Column shape	Square - 70x70mm
Feet shape and size	Skirt 500, 700, 900mm (centric) 700, 900mm (excentric)

VEGA	
Stroke	650mm (640-1290mm)
Fits tabletop	1150-1800mm (telescopic beams)
Amount of legs	2
Column shape	Rectangular - 80x50mm
Feet shape and size	Flat bended tip 738mm (centric)

ROL ERGO ID	
Stroke	650mm (640-1290mm)
Fits tabletop	800-2000mm (telescopic beams) 1600-2200mm (zigzag beams)
Amount of legs	2, 3
Column shape	Rectangular - 80x60mm Round - Ø80mm
Feet shape and size	Flat bended tip 500, 700, 900mm (centric)

Fixed height

FIXED	
Height	500, 735, 900, 1105mm
Fits tabletop	800-2400mm (fixed beams) 1400-2400mm (telescopic beams)
Amount of legs	2, 3, 4
Column shape	Rectangular - 70x70mm Round - Ø70mm
Feet shape and size	Flat (can be with wheels) 500, 700, 900mm (centric) 700, 900mm (excentric)

Sustainability

Svenheim follows the principles of the waste hierarchy, prioritizing prevention, reuse, and recycling, with disposal as the last resort. To minimize environmental impact, we continually implement solutions that reduce waste during the production phase. Remaining waste is handled in a way that maximizes its value, often being passed on to other companies for the creation of new products and keeping materials within the circular economy.

We design and manufacture furniture and interior solutions built to last. Durability is a core feature of our products, allowing them to be used and reused for decades.

Each product undergoes a Life Cycle Assessment (LCA), and we provide Environmental Product Declarations (EPDs) that disclose the environmental impact throughout the entire life cycle, from production and transportation to recycling or disposal.

Our products are certified to internationally recognized environmental standards, including the Nordic Swan Ecolabel and Mobelfakta. It ensures that our customers invest not only in quality and design but also in a responsible approach to the environment. Svenheim is a member of the return schemes Green Dot Norway for packaging and Eurovironment (Electrical return) for electrical components.

Quality assurance and warranty

Svenheim places high demands on quality—across raw materials, product development, order processing, production, logistics, and distribution. Our products are certified under internationally recognized quality management standards ISO 9001 and ISO 14001.

Choosing Svenheim means investing in furnishings that are easy to maintain, repair, and adapt to market needs, backed by clear and reliable warranty terms. We offer a 5-year warranty covering material and manufacturing defects.

Our Norway office is also certified with the Miljøfyrtårn (Eco-Lighthouse) label, reinforcing our commitment to environmental and quality responsibility.

Tellus is certified according to the standards: EN 527-1:2011, EN 527-2:2016+A1:2019.

We care about what we create today, as well as the world we leave for future generations.
